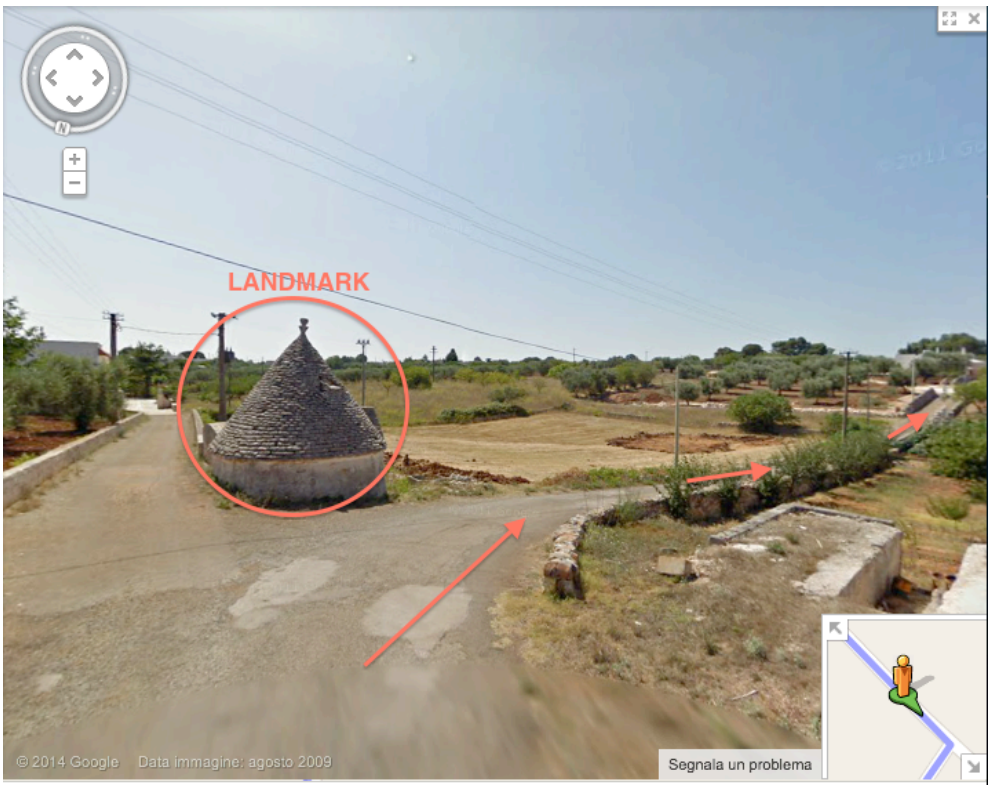
From Bari to reach Cisternino you have to take the SS16 direction for Brindisi.
After Monopoli city take the exit “Taranto- Selva di Fasano -Valle d'Itria”
(the exit: picture below)

Follow the direction for Locorotondo and then for Cisternino. Once to Locorotondo you have to take the SP134 that connect Locorotondo to Cisternino and drive for about 6 km. Turn right when you will see the blue road sign Bari/Brindisi (the picture below will help you with landmark)

Once turned to right, turn to the left and right again (as the red arrows in the picture below).

Follow the road and when you will see the house in the picture turn left

Go on and turn on the right as the red arrow



Dip down, (you will meet an ancient fountain on your right) go up and turn right at the second one alley. Here you are!
